His Holiness Pope Saint John Paul II

Is it enough to think today  
Of all our brave, then put away  
The thought until a year has sped?  
Is this full honor for our dead?

Is it enough to sing a song  
And deck a grave; and all year long  
Forget the brave who died that we  
Might keep our great land proud and  
free?

Full service needs a greater toil,  
That we who live give heart and  
soul  
To keep the land they died to save,  
And be ourselves, in turn, the  
brave!

## Memorial Day

Is a [federal holiday](#) in the United States for remembering the people who died while serving in the [country's armed forces](#). The holiday, which is observed every year on the last Monday of May, was formerly known as **Decoration Day** and originated after the [American Civil War](#) to commemorate the [Union](#) and [Confederate](#) soldiers who died in the war. By the 20th century, Memorial Day had been extended to honor all Americans who died while in the military service. It typically marks the start of the summer vacation season, while [Labor Day](#) marks its end.

Many people visit cemeteries and memorials, particularly to honor those who have died in military service. Many volunteers place an American flag on each grave in [national cemeteries](#).

Annual Decoration Days for particular cemeteries are held on a Sunday in late spring or early summer in some rural areas of the American South, notably in the mountain areas. In cases involving a family graveyard where remote ancestors as well as those who were deceased more recently are buried, this may take on the character of an extended family reunion to which some people travel hundreds of miles. People gather on the designated day and put flowers on graves and renew contacts with relatives and others. There often is a religious service and a picnic-like "dinner on the ground," the traditional term for a [potluck](#) meal in which people used to spread the dishes out on sheets or tablecloths on the grass. It is believed that this practice began before the American Civil War and thus may reflect the real origin of the "memorial day" idea.

Memorial Day is not to be confused with [Veterans Day](#); Memorial Day is a day of remembering the men and women who *died* while serving, while Veterans Day celebrates the service of all U.S. military veterans.

**Msgr. Bocian, Fr. Dene and the parish office staff would like to wish everyone a safe & happy Memorial Day!**
